The Tiger team of 1989-90 was a very competitive one in a year that parity seemed to be the general rule for the Black Diamond District and Southwest Virginia basketball. Fans were treated to thrilling games in A.P. Baldwin gymnasium with the heroic play of individuals such as Steven Compton who rewrote the record books of Tiger basketball history. The Tiger team was one of the most exciting and capable teams that I have ever had the pleasure to coach. We will miss you next year: Steve 31, Yul 30, Cat 10, Mark 32, Flip 33, Brian 12, Kevin 14. Thanks for your contributions and your efforts.

Graduating Tigers!

The 1990 Baseball season was a memorable one for Tiger fans. The Tigers had another very successful year, earning the Co Champion title with St. Paul in the Black Diamond District. The team also competed in the Region D Tournament.

Aside from our season there were other accomplishments made. Coach Harding was presented with a commemorative flag honoring his 200th win during the 1989 season. The Tiger field received a great deal of attention. Through efforts made by both the school and community the field is getting ever closer to completion. After getting the fence finished in '89, dugouts were built this spring. The Tiger field is on its way to being one of the best fields in the area.

Torch Staff

Editors '89-90

It has been a great pleasure serving as editors of the 1990 TORCH. Hours of diligent work, time, and dedication have been put into this yearbook by all staff members, and we feel this yearbook is a total success. We now realize that being an editor is more than just a title.

We hope that you will enjoy the memories compiled within this yearbook as well as we will.

We would like to thank all staff members for their time spent working on the yearbook. We hope they have enjoyed working with us as much as we've enjoyed working with them.

We would like to give a very special thanks to Christy Honaker for believing in us and for her understanding. When we had an idea, she took time to listen, give an honest opinion, or offer to apply her ideas to help us improve the memories compiled within these pages. Thanks again!
